The law requires solicitors to get satisfactory evidence of the identity of their clients and sometimes people related to them. This is because solicitors who deal with money and property on behalf of their client can be used by criminals wanting to launder money. In order to comply with applicable Government regulations in respect of money laundering we are only able to accept instructions if you comply with our client identification policy. We will obtain an electronic database (AML) search. The fee for each search is £10.00 plus VAT.

The usual disbursements and administrative charges on a sale are £6 plus VAT office copy entries per title, £45 plus VAT per telegraphic transfer fee and £10 plus VAT per faster payment.

The usual disbursements and administrative charges on a purchase up to £1m are £500 approximately for Local, drainage, chancel and environmental searches, £10 faster payment per payment, £2 land charges search fee per person, £3 land registry search fee per title, £45 telegraphic transfer fee per bank transfer and land registry fee between £20 and £295 depending on purchase price. Additional searches may be required depending the property location. VAT is payable on some disbursements. Also, a Legal Marketing Services fee of £30 plus VAT is payable should your mortgage lender use Legal Marketing Services. Stamp Duty Land Tax is payable in accordance with the current legislation.
